

The figure displays two sets of data points on a 100x100 grid. The top set, labeled 'a', is represented by blue squares and forms a curved path starting near (10, 90) and ending near (50, 30). The bottom set, labeled 'b', is represented by red squares and forms a similar curved path starting near (60, 60) and ending near (80, 30). The grid has x and y axes ranging from 0 to 100.

A 20x20 grid with blue squares forming a stylized 'S' shape. The shape starts at the top left, curves down and to the right, then curves back down and to the left, ending at the bottom left.
